January started another new project for Saco Lodge #9, Wor. David Perkins instituted a school of instruction to guide our new masons through their degrees, by helping them out with their lessons. Several other members joined in and the results have been worth it. This was credited in helping the many new brothers and initiates proceed with their Masonic journey.

Also our many current programs continue to be a success such as our CHIPS Program, Adopt a Road Program, Lodge Outreach in both the lodge and the great city of Saco, Maine.

This year 2008 was also marked by many events that have been engraved in our hearts and minds, we sent several brothers off to war and enjoyed the greatest honor from the Worshipful Grand Lodge of Maine, being honored as the Lodge of The Year for 2007. Can it get any better then this, we at Saco Lodge #9 say, yes it can and we will make it so.

At the start of 2008 we see our membership inch on little by little, we make gains but unfortunately many brothers are called to that Celestial Lodge above, but we continue to make progress, as the Supreme Architect sets our goals in life.

January brought us to Greenleaf Lodge in Cornish on January 26, 2008 to participate in the Table Lodge Honoring the 18th Masonic District Mason of the Year.

On January 8, 2008 we hosted an Entered Apprentice School of Instruction. It was a well attended event with nine (9) new brothers. One who actually stood up and asked RW Steve Nichols to introduce himself.

On January 29, 2008 we finish the month with an Entered Apprentice Degree

February 2008

February 6, 2008 was our stated meeting and we then had an Entered Apprentice Degree on February 19, 2008.

February 10, 2008 Saco hosted a Fellow Craft School of Instruction given by the Grand Lecturer , RW Steve Nichols.

February 19, 2008 with VW Carl Marsano presiding in the East, Saco had its second Entered Apprentice Degree of the year on two candidates, Bro. Mark Whitmore and Krystian Beal.

An example of our outreach, the brothers (and a Demolay!) getting ready to distribute
Easter Dinners to the 50 Year Members of Saco Lodge.

Each of these brothers, especially the Past Masters above were in large part responsible in the recent success of Saco Lodge. This process was not a one year flash in the pan type success; it was a dedicated team effort that took place over the past ten (10) years.

What a great day it was for the Littlefield family, with Jason being raised by his dad Arthur Littlefield while his uncle Steve Littlefield looked on.

It was with great pleasure that Brother Thomas Cassamassa took his Master Mason's Degree on June 12, 2008.

First the degree was held at Arundel Lodge in Kennebunkport, second the work was done by the U.S. Military Veterans, with Most Worshipful Wayne Adams past master of the Most Worshipful Grand Lodge of Maine. The members of the degree team

Members of Saco Lodge Present

June 17, 2008 A Master Mason's Degree was conducted on Brother Jeremy McCulloch bringing Saco Lodge #9 in some what state of darkness, but for Saco Lodge #9 there is no darkness in summer we only go at a slower pace. At this meeting, RW Joel Tripp was presented with his Past District Deputy Grand Master's apron.

July 2008

July 12, 2008 found a CHIPS Program at the Saco Park & Recreation Summer Kids Camp. With the assistance of R.W. Butch Gannet we processed 40 kids, the program was well received by parents and the Recreation Director Joseph Hirsch.

August 2008.

August 16, 2008 took us to our outdoor degree which due to the weather had to be held inside, well life goes on we cannot control the weather The work was on the Master Mason's Degree with our candidate being Brother Christopher Robichaud who was raised to the sublime degree of a Master Mason.

Once again the Milliken Field on the Flag Pond Rd. was at rest, but the altar is always ready, maybe we could do an outdoor degree in the winter, but it would probably be a blizzard.

September 2008

September 3, 2008 brought us back to the quarry, with regular business and planning for the end of the year. It was also at this meeting that we said a sad farewell to Brother Elliott Hazlerig as he returns to his home of Tennessee, Brother Elliot was raised in Saco Lodge #9 while he was stationed at Brunswick Naval Air Station, we wish him the best and hope to see him again, maybe we could hold a lodge meeting there?

September 16, 2008 a special communication with the conferral of the Entered Apprentice Degree on a candidate that will be shipping out shortly to the U.S. Navy.

October 2008

October 1, 2008 brought us to our regular stated meeting with the usual business issues to come before the lodge.

October 14, 2008 we were back to work as we preformed Fellow Craft Degree on several candidates.

October 18, 2008 found us at the new Bangor Savings Bank on Main St. in Saco with another CHIPS Program, there were over 20 children that were processed, a great work for the community and once again putting the Masonic presence in the public eye.

October 18, 2008 A Table Lodge was convened with a good number of members and visitors present, a good time was enjoyed by all. R.W. Joel Tripp was honoree for the night with his mighty anvil present in the dinning room. Brother Joel is not only a mason, but a farmer, logger, blacksmith and jack of all trades.

November 2008

November 5, 2008 Our stated meeting with a special twist, all officers and brothers decked out in flannels and boots as they do on the hunt in the Maine woods something that adds a special touch to the season.

November 14, 2008 The District Deputy Grand Master's Meeting night hosted at Saco Lodge #9, we as members were very proud to host this event, especially since our own Right Worshipful Carl Marsano is presently in that office. Brothers and sisters joined in the great meal and fellowship. R.W. Carl Marsano gave a very enlightening report of the lodges of the 18th Masonic District and also hosted a presentation by W.M. John Knox on Kora Temple Shrine and the Shrine Hospital which Bro. John Knox is a member of the board of directors.

The district meeting also brought us a special communication from our own Bro. Darrin Landry, for the past few years he has been going to Santa Cruz De Quiche, Guatemala. The mission is to restore sight to those who need operations, provide eye exams and glasses to those in need. In their 10 days there they see hundreds of patients a day and at times due to limited resources must turn some away. We at Saco Lodge #9 support Bro. Darrin Landry in many ways and his presentation showed us the fruits of our labors.

Some interesting statistics were presented to all in attendance, R.W. Carl Marsano informed us that Saco Lodge #9 was the largest with 189 members and Freedom Lodge the smallest with 38 members. Youngest age group was Dayspring Lodge average age 57 years and Freedom Lodge the oldest with average age of 65 years. The oldest lodge in the 18th Masonic District was our own Saco Lodge #9 founded in 1802 and the youngest lodge Orchard Lodge founded in 1917.

November 17, 2008 Brought us back into the work of the evening which was on the Entered Apprentice Degree on two candidates.

November 24, 2008 Once again we conducted degree work, it seems work in the quarries of Saco Lodge #9 is never ending and it is hoped that this will continue.

November 29, 2008 Brought us to the doors of Wal-Mart in Biddeford, with Wor. Richard Clark gathering the brothers for our annual bell ringing for the Salvation Army, once again we put the face of masonry in the public and have a great time with brothers from other lodges.

December 2008

December 3, 2008 brought us to our last meeting before years end, we had our annual awards night and Lobster Stew, the Mason of the Year Award for Saco Lodge #9 was presented to Brother Paul Michaud in recognition of being always there when needed and his excellent behind the scene work he does for the lodge. As we continue to reflect on the good works of Saco Lodge #9, we continue to work hard in the quarries of Saco Lodge #9, with a busy and I mean busy Holiday Season.

Wor. Millard Tripp was presented his 50 Year Service Medal by RW Carl Marsano and Wor. Richard Tripp (his son.)

Wor. Ronald Tripp received his 55 year service star from RW Carl Marsano.

Wor. David Perkins presented the Mason of The Year Award to Bro. Paul Michaud for his dedication and who is one always willing to help out.

Benjamin Milliken and now his son, Ashley. He has raised three generations. You might say he has been busy "Raising a Family!"

December 16, 2008, Our oldest member Wor. Ralph Meserve turned 99 years old, 77 years as a Master Mason, what an achievement we continue to wish him well and he still comes to lodge!!

December 18, 2008 Entered Apprentice Degree 2 Candidates

December 23, 2008 Entered Apprentice Degree 2 Candidates

December 30, 2008 Fellow Craft Degree 2 Candidates

The year 2008 marks our sixth consecutive year that membership has either kept pace with losses or increased. Seven brothers were raised to the degree of a Master Mason, seventeen Entered Apprentices are on their journey, three Fellow Crafts are in waiting for the Master Mason Degree. We also had an affiliation, with Most Worshipful Ronald Belanger Past Grand Master of the Grand Lodge of Maryland. Most Worshipful is a former resident of Saco and has joined our ranks for the summer months, his affiliation reflects well on Saco Lodge #9, we must be doing something right. As with all good things there comes sadness, with the loss of six members that have gone to their reward in that Celestial Lodge above.

A total of **43** meetings were held with attendance at **678**, (230 of those were visitors). We are probably one of the most active lodges in the state. Our reputation is growing. The more active a lodge is, the more likely it is to succeed.

Brethren who passed to the Celestial Lodge Above.

The eye of Providence continues to watch over Saco Lodge #9 as we close the year with many success stories and great events, as we continue to spread the cement of brotherly love and friendship.

P.S. There is a good reason why my history was almost late, my computer crashed and so did all my information. Technology is wonderful isn't it?

A word of advice...When you want it to last...Print it out on paper! Sooner or later, electronics will let you down.
